

Bond Laboratories, Inc. Announces the Promotion of John S. Wilson to CEO

August 18, 2009 10:15 AM ET

Bond Laboratories, Inc. (OTCBB:[BNLB](#)), a leading manufacturer and marketer of innovative proprietary health supplements and beverage products, is pleased to announce the promotion of John S. Wilson to Chief Executive Officer and a member of the Board of Directors.

Commenting on the promotion, Scott Landow stated, “During the first six months of this year Bond Laboratories has experienced significant growth which we foresee to continue. In planning for 2009 and beyond it was clear that our greatest opportunity for growth would be in the beverage business and that is why hiring an industry professional the caliber of John S. Wilson, President of Fusion Premium Energy, Inc., was so important. With over seventeen years of invaluable experience at both The Coca-Cola Company and Coca-Cola Enterprises, Mr. Wilson has quickly built a team in our Fusion Premium Energy subsidiary with depth, experience and key relationships that combined have managed over \$400 million in annual sales within the beverage industry.”

“Now it is time to have John S. Wilson expand his responsibilities within Bond Laboratories. I am firmly convinced that John S. Wilson is ready to lead Bond Laboratories to great places,” concluded Landow, who continues as a member of the Board of Directors.

About Bond Laboratories, Inc.

Bond Laboratories is a national provider of innovative and proprietary nutritional supplements and beverage products for health conscious consumers. The Company produces and markets its products through its two operating divisions – NDS Nutrition and Fusion Premium Energy. NDS manufactures and distributes a full line of nutritional supplements to support healthy living through a variety of retail channels including GNC franchise locations located throughout the United States. Fusion Premium Energy distributes a line of health and energy beverages to support and promote an active lifestyle. Bond Laboratories’ operating divisions are led by a team of highly experienced sales and marketing executives with considerable expertise in the development, launch and distribution of branded products in the nutritional supplement and beverage sector. Bond Laboratories is headquartered in Omaha, Nebraska and maintains its primary sales operations in Dallas, TX. For more information on the Company, please go to <http://www.bond-labs.com>.
