December 4, 2008 9:15 AM ET

Bond Laboratories, Inc. [BNLB](#) is pleased to announce today that the Company has retained California-based Redwood Consultants, LLC to assist in shareholder relations and investor communications.

Scott Landow, CEO of BOND Laboratories stated, "I have had the pleasure to work closely with Redwood Consultants, LLC and their principals for many years. I strongly believe that a publicly traded company such as Bond [BNLB](#) must create value before they tell their story to the investing public. Bond Labs is now at this inflection point. We have executed enough of our initial business strategy to support bringing our unique story to the investment community. With Redwood's assistance and guidance, we will not only share our current **objectives, but our long term goals and vision for the next generation of preventative health products and other products aimed at improving one's quality of life; Bond's primary focus will be on a family of products that will enhance energy, wellness and endurance.** Bond's management has an aggressive growth plan in place, and will be actively updating the investment community as we achieve our internal milestones and continue to execute on our business plan. We are proud to partner with a quality company such as Redwood Consultants. We look to them for their guidance to assist us in achieving our goals of improving the quality of life of those consuming through our growing family products."
